

Tropical Fish

Make your own fish friend!

MATERIALS:

2 PAPER PLATES	SCISSORS
ACRYLIC PAINT	GLUE STICK
PAINTBRUSH	GOOGLY EYES
PENCIL	GEMS
RULER	

- 1 Paint one of the plates yellow. Let it dry.
- 2 Draw four triangles on the other plate. Draw them from the edge to the center of the plate. Make the curved side of three of them 4 inches (10 cm) wide. Make the curved side of the fourth triangle 2 inches (5 cm) wide.
- 3 Cut out the triangles. Round off the point of the small triangle. Paint the triangles yellow. Let them dry.
- 4 The large triangles are the fish's fins and tail. The small triangle is its nose. Glue them to the back of the yellow plate. Make sure the yellow side is facing up.
- 5 Paint blue stripes on the fish. Let it dry.
- 6 Glue on the googly eye. Add gems to decorate your fish friend.
