

# Hawks vs Falcons

## Spot the Difference

Hawks and falcons look alike. There are small differences between the two. Can you tell which pictures below show a hawk and which show a falcon?

### DIFFERENCES:

Hawks	Falcons
<ul style="list-style-type: none"> <li>• More brown color patterns</li> <li>• Short, round wings</li> <li>• Yellow or red eyes</li> </ul>	<ul style="list-style-type: none"> <li>• More gray colored patterns</li> <li>• Long, pointed wings</li> <li>• Dark eyes</li> </ul>
