

Curious Cat Magnet

Make a cute cat for your fridge!

MATERIALS:

5 CRAFT STICKS
BLACK PAINT
PAINTBRUSH
GLUE
SCISSORS
RULER
BLACK CRAFT FOAM
2 GOOGLY EYES
PINK & WHITE PAINT PEN
BLACK CHENILLE STEM
ADHESIVE MAGNETIC TAPE

- 1 Paint the craft sticks black. Let them dry. Put glue at one end of four of the craft sticks. Lay the last craft stick over the glued ends to make the body and legs.
- 2 Cut a 2 inch (5 cm) oval out of craft foam for the head. Glue the googly eyes to the head. Draw the nose and mouth with paint pens. Cut two foam triangles for ears. Glue them to the back of the head. Glue the head to the body.
- 3 Glue the end of the chenille stem to the body of the cat for the tail. Curl the tail. Draw claws on the feet with a paint pen.
- 4 Cut four pieces of magnetic tape 2 inches by $\frac{1}{2}$ inch (5 cm by 1 cm). Stick one to the back of each leg.
